Saket College of Arts, Science & commerce
Mumbai University

Key Skills

C#	HTML
.Net	CSS
JavaScript	MSSQL Server
VB	Visual Studio
Redis	Git

Experience

Biztran Solutions Pvt Ltd: (Feb 2025 – Jul 2025)

- Led the **RIL ERP project**, managing two developers (Desktop and Flutter) and ensuring timely delivery of key modules like Delivery Challan, GRN, and Masters (Company, User, Account, Branch, Product, BOM) with QR code scanning integration.
- Developed and enhanced **EasyChat (Marketing CRM)** Flutter app with WhatsApp Cloud API integration, enabling seamless WhatsApp communication and campaign scheduling. Significantly improved UI and optimized API for smoother processes.
- Spearheaded Redis implementation in **VSPCRM Cloud (ERP)** to deliver lightning-fast data retrieval, enabling smooth integration with softphone solutions like Zoiper and X-Lite.
- Optimized **WinnerScreen ERP** performance by reducing page load times from 8-9 seconds to 3 seconds, improving user experience.
- Gained hands-on experience with **VB.Net, Flutter, Redis, Node.js APIs, Linux, and GCP**, including server setup and Redis hosting on cloud.
- Collaborated closely with project managers, cross-functional teams, and clients to ensure smooth project execution and on-time delivery.

Care Centrix Pvt Ltd : (Jun 2024-Dec 2024)
- Conducted thorough testing and debugging to ensure software quality and reliability.
- Contributed to the design and implementation of core HRMS features such as employee profiles,asset approval and leave approval using C# and ASP.NET.
- Designed and optimized SQL Server databases to support efficient data storage and retrieval for HRMS applications.

Eresource Infotech Pvt Ltd: (Mar 2023 – May 2024)
- Designed, developed, and maintained software solutions according to project requirements and deadlines.
- Collaborated with cross-functional teams to analyze user needs and translate them into technical specifications.
- Wrote clean, efficient, and scalable code using C# .Net JavaScript and MS SQL Server.
- Conducted thorough testing and debugging to ensure software quality and reliability.
- Provided technical support and assistance to end-users as required

Internship at Softcon Business Solution: (Aug 2022-Feb 2023)
- Worked on the development and maintenance of the company's website and web applications.
- Implemented complex functionality on both the server-side and client side.
- Implemented responsive design using CSS ensuring a seamless user experience across different devices.

Internship at Magnify IT: (Aug 2021-Feb 2022)
- Identified and fixed minor bugs across the application to improve functionality and user experience.
- Resolved UI issues to enhance layout consistency, responsiveness, and visual design.
